

UNIVERSITY OF  
THESSALY

**DEPARTMENT OF MECHANICAL ENGINEERING**  
SCHOOL OF ENGINEERING

| SEMESTER | COURSE CODE | COURSE                              | ECTS | INSTRUCTOR |
|----------|-------------|-------------------------------------|------|------------|
| WS       | ΟΠ0901      | Operations Management               | 6    |            |
| WS       | ΜΥ2701      | Deformation Processes               | 6    |            |
| WS       | ΕΠ0901      | Modern Control Theory               | 6    |            |
| WS       | ΜΥ3300      | Structural Mechanics                | 6    |            |
|          |             |                                     |      |            |
|          |             |                                     |      |            |
| SS       | ΜΥ1100      | Composite Materials                 | 6    |            |
| SS       | ΕΝ2500      | Rheology and Processing of Polymers | 6    |            |
|          |             |                                     |      |            |
|          |             |                                     |      |            |
